TIMBER BUTTE MILL EMPLOYES SURPRISED

Four Future Soldiers Are Presented With Wrist Watches by Their Companions.

A rousing sendoff was given yesterday by the employes of the Timber Butte mill to four of their members who will leave with the Butte contingent for American Lake tonight. A surprise was in store for the four future soldiers. At noon they were called out to the mill office and when they arrived at the latter place the entire force of the plant was assembled outside, and welcomed the boys with a series of enthusiastic cheers.

On behalf of the men employed at the Timber Butte mill, Assistant Superintendent L. L. Quigley, in a timely and well-delivered address, presented each of the men with a beautiful wrist watch. These gifts will be highly useful to the new soldiers in their camp and field life.

The men presented with the watches were Joseph P. Hunt, W. E. Carver, Frank B. Clark and Harry Watson. The boys were overcome with emotion, but all managed to express their appreciation of the thoughtfulness of their fellow employes and promised to do well their new duties.

The mothers and sisters of some of the men were present, having been brought to the mill in automobiles by R. A. McGillivray, foreman of the plant.
