LINK-MOTION, GAS BURNERS ONE OF THE FIRST

. Harry J. Cole, 307 West Quartz street, was the owner of one of Butte's first motor cars. His was a steamer, a link-motion gas burner with two cylinders. He won it by taking a subscription to the San Francisco Examiner in 1902. It could attain a speed of 30 miles an hour and could climb any of the steep grades in and around Butte. Mr. Cole used the car for several years and pronounced it as good as many of the later motor-propelled vehicles.
